

ESI ePhoneGO™

A complete mobile solution without contracts!

\$18.⁹⁵/month

NO contracts
NO minimum seats

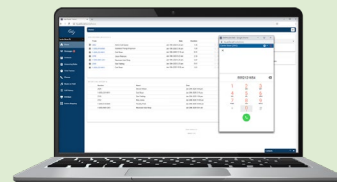

The ability to stay connected while away from the office is crucial to helping businesses survive during challenging times like these. Get the features of a desktop phone directly on your smartphone with our popular **ESI ePhoneGO™** application! Whether you're in the office, working at home, or traveling, you're never out of reach for your most valuable clients.

Key Features & Benefits:

- Call handling just like on your desktop phone: (Transfer, Mute, Hold, Record)
- View your extension's Call History
- Access corporate directories and personal contacts
- Listen to voice mails and call recordings
- Easily create conference calls directly from the app
- View coworker status in your corporate directory
- Supports a mobile workforce: great for remote workers, road warriors, or anyone whose job requires them to be accessible outside of the office
- Works with iOS and Android smartphones; download from the App Store or Google Play

Add ESI Webphone™ for just \$2.⁵⁰/month

- Make & receive calls directly on the PC (Google Chrome browsers only)
- Manage your contacts, including favorites, personal contacts, and coworkers
- See coworker presence status (online, busy)
- Start Chat/SMS Text conversations
- View & manage voice mail messages
- Call handling: Hold, Record, Transfer, and more
- Access answering rules and personal greetings
- Enjoy three-way conferencing
- Use any headset compatible with your PC
- Supports a remote workforce and road warriors
- Accessible via the ESI eConsole™ dashboard

Don't wait! This promotion runs through May 31, 2020.
